2008 Top 20 Obedience
Winner

This training seminar will be a focus on the connection between you and your dog and working on what you can do to drive your dog to be enthusiastic, up and happy while working.

Presented by JoAnne Brettschneider, the seminar will begin with JoAnne going over her unique way of teaching focused heeling. She will start the day by explaining how she starts with puppies, and move into how she starts with adult dogs. JoAnne's ideas are different than the mainstream, and she will share her secrets with everyone.

Puppies are welcome to attend this seminar. Anyone wishing to participate with their dogs will be encouraged and welcome to present any and all problems, and will be addressed, as time allows.

People are encouraged to bring dogs of all levels.

JoAnne has been training for over 35 years. She was a member of Car-dun-al Dog Obedience Club for over 10 years, where she trained and taught many classes. Her Champion Greyhound was the #1 Greyhound in the country in obedience.

Currently JoAnne owns JPS Dog Training, teaching obedience, agility and private lessons in Rockford, Illinois. With JoAnne's current dogs, she has taken 13 High in Trials.

OTCH LTL Mattie's Touch of Class, UDX2, OM1, MX, MXJ, "Mattie", took 1st in the Working Group at the AKC Invitational in 2007, finishing 13th out of 96 competitors after the first day of competition. Mattie ranked 1st for this years Top Twenty standings.

Dedo's Gredas Touch of Magic, UD, AX, AXJ, "Greda" was the winner of the 2008 Top Twenty competition.

Mattie has maintained her Top 20 standings for four years, and Greda for three years.

JoAnne has had two students take High in Trial from Novice A. Also her students have taken multiple High in Trials from other classes and have been nationally ranked in their respective breed standings in the top 10.

In 2008, six of the Top 20 finalists came from JPS Dog Training.
