

The requirements for a rescue group to be listed on the DPCA Rescue website's directory are:

1. At least one member of the rescue group must be a DPCA member.
2. The rescue group must submit a signed DPCA Rescue Code of Ethics form.
3. The CoE signatory must be a current DPCA member and authorized to sign for and on behalf of the rescue group.

Note:

- Original signatures are required – therefore the CoE form must be submitted via US mail.
- Annually, the DPCA rescue committee will request confirmation that a group's directory listing details are correct and that their CoE signatory remains a DPCA member and authorized to sign for and on behalf of the group.
- The CoE form is available for download from the DPCA Rescue website.
- Signed CoE's should be sent to the current Rescue Committee Chair at their address given in the DPCA membership directory, or to the DPCA Corresponding Secretary marked for the attention of the Rescue Chair.
