

DPCA LEGACY AWARDS PROGRAM

Formulary (updated Jan 2025)

These awards are open to all DPCA member-owned Dobermans, living or dead that have distinguished themselves by their AMERICAN (AKC) and National Association of Canine Scent Work (NACSW) titled offspring. As get accomplishments accumulate, the individual sire or dam may qualify to receive the next higher award.

To be eligible for any award level, a Doberman must meet BOTH of the following TWO requirements:

- 1) The owner applying for the award must be a member of the DPCA.
- 2) Have produced the minimum applicable number of AKC Conformation Champion offspring AND minimum number of applicable working titled offspring for the level applied for. For Bronze level, the minimum working titled offspring requirement can be met by any of the Intermediate or Advanced performance titles listed below. For Silver and Gold levels, the minimum working titled offspring requirement can be met by the Advanced titles listed below.

For example, to qualify towards the Bronze level, a male's eligible offspring must include a minimum of five AKC Conformation Champions and a minimum of five AKC or NACSW Intermediate or Advanced working titled offspring. For Silver level, a male's eligible offspring must include a minimum of ten AKC Conformation Champions and a minimum of five AKC or NACSW Advanced working titled offspring. Get that has an AKC Championship and has an appropriate minimum working title for the level being applied for, qualifies to be counted as both a Ch and as a working titled offspring.

BRONZE LEVEL AWARD Dog- 5 Chs AND 5 Intermediate and/or Advanced working titled get Bitch- 3 Chs AND 3 Intermediate and/or Advanced working titled get	Minimum Qualifying Intermediate AKC Titles for the Bronze level: Obedience CD Rally RA Tracking TD Schutzhund BH, SchH A Agility NA, NAJ, NAP, NF, NFP, NJP Scent Work SWN NACSW Nose Work NW1 Or any of the Advanced AKC or NACSW Titles listed below

ONLY the AKC or NACSW recognized titles above meet the requirements of this award.

If AKC or NACSW recognized sports and/or titles are not listed above, that means they do not meet the requirements.

YOU MUST APPLY FOR THESE AWARDS. Awards are presented each year at the DPCA National Specialty Show. Applications must be received by August 1st preceding the meeting. Application for Legacy Awards may be completed online through the DPCA.org website. To verify offspring titles, you MUST include an AKC progeny report which can be attached to your online application.

Owners or Breeders of dogs/bitches who already have a Legacy Award at the Bronze or Silver level, may apply for the next higher level when they meet the criteria for that higher level. Dogs/bitches can continue to earn a Legacy Award posthumously as their offspring continue to achieve qualifying titles.
